Shannon,

Thank you for forwarding Mr. Phillip's letter regarding an asserted deficiency in Plaintiff's initial disclosures regarding damages. That letter was received at the end of the business day on July 2, just before the extended holiday period. Now that the July 4th break is over, we will endeavor to respond further to the damages issue "in short order."

I should also take this opportunity to update you on our efforts to make a complete document production with respect to Ms. Morrison's communications – over a period of more than 14 years – specifically regarding Mr. Langrick and the 2005 sexual assault. I and my client have been working diligently to complete that process, which has required more effort and time than at first envisioned. We are now striving to complete that process this week.

Best regards. Henry Kaufman
